Max Ingersoll

Developing my Web Development skills as I pursue my degree in Computer Science.

Rancho Cucamonga, California

Summary

I'm a "loosely used" Full-Stack Developer, with about 1 year hobbyist experience. Looking to build that "professional experience" that everyone is talking about. I'm currently working toward a Bachelors Degree in Computer Science. While I continue to build my skills in the the web development ecosystem.

Experience

Ralphs Grocery Company
Bookkeeper
August 2014 - Present

Education

Chaffey College
Transfer, Computer Science · (2014 - 2019)
